**Pre-call meeting:** President Joel Hoelter (Wisconsin North district president) will be with us on July 7th at 6:30 for a pre-call meeting with our congregation. While our Board of Directors has authorized the forming of a call committee, this pre-call meeting with the congregation is our first step. Thank you for putting this on your calendar and attending. As we focus on our needs as a congregation, you will be given the opportunity to submit names.

**Revive! Renew! Reach Out!** —Some 232 voting lay and pastoral delegates gathered in Green Bay last week. President Hoelter was reelected to a 2nd term on the first ballot along with Paul Weber, William Plautz and Timothy Wenger were elected as 1st, 2nd and 3rd VP. You will be able to go to our website to connect to the district for all the results. Resolutions passed included an encouragement to reaffirm our Baptism covenant in our churches; amend the district handbook for policy-based governance; to faithfully uphold the teaching of Biblical Creation. President Kieschnick spoke at the opening worship, gave his report and took questions from those gathered. We were reminded of our calling to be “One People, One Message and One Mission” as we seek to connect people with Jesus Christ! Cliff Starr and I served our congregation as voting delegates as Brian Betts and Brian Wilhorn served our congregation as Advisory delegates. We also heard a “Blue Ribbon Task Force Report” on the Synod Structure and Governance. Our current structure simply doesn’t serve us very well and is costing many dollars that do not need to be spent and so can be spent on mission instead of structure. This will be addressed at the 2010 convention.

**A question:** Our Synod is asking the question: Is it time for a new name? Lutheran Church Missouri Synod or LCMS—what does this mean? What does this convey to the world around us? Do they have any clue that we hold the most precious message of eternal salvation? The truth is that our culture does not seem to know why we exist. We exist to invite people into a saving relationship with Jesus Christ by our deeds and words so that they too may have eternal life. So LCMS—Lutheran Church of Mission and Service? Lutheran Church of the Cross? What are your thoughts? Please remember that we have had at least 3 different names in our synod’s history. Oh, another question what is a synod?

**Even life itself is a gift, not fully one’s own, but rather it is a gift of God to be managed to fulfill God’s purposes.**

(1 Cor 6: 19) This means that God’s stewards (you and I) are stewards by virtue of creation and their re-creation in Holy baptism; therefore, we belong to the Lord. Being one of God’s Stewards from the biblical point of view, is a matter of identity.

It’s about knowing the ONE to whom we personally belong. It’s about being known by and knowing the Triune God. The God of the Bible, the Lord and Giver of Life, the creator and Re-creator of all life; God—Father, Son and Holy Spirit. From our Scriptures, we believe and teach God made us, body and soul, for the present and for eternity for Himself. Even when we wander away from God and deny this, we are still spoken for by God. The Bible teaches that it is the gracious action of God-in-Christ who accepts, forgives and makes stewards out of people who are inclined to ignore and even rebel against God. It is a grace-filled response to say, “I am God’s steward!” That is a privilege to be valued highly everyday of life. Our stewardship involves all of life and that we are discoverers, developers and deplorers of all the gifts God has given to us. Our purpose is to let our life be an offering. The implications of saying, “I am God’s Steward” are enormous. It means we can give credit to God as the source of all gifts, talents, skills and time that we have.

**... We exist to invite people into a saving relationship with Jesus Christ by our deeds and words so that they too may have eternal life. . . .**

God’s stewards are entrusted with life and life’s resources and given the privilege of responsibly and joyfully managing them for God. Our accounting system is different. We are called to use our passions and our lives as an offering to God and His purposes. WOW! What a blessing this is in our life to live in His grace and to be accountable God! (1 cor. 4: 2).

**Bible Study Walk**—We continue our walk through the Bible on Tuesday Mornings at 9:00 am in the Learning Center. We are beginning 1 Peter on June 23rd. The letters of Peter and John will go quickly and we plan to begin a study of Revelation in September. Come as you are able as there is always some overlap from week to week. It looks like we will finish the Bible by the end of the year. (Genesis is coming!) If your schedule permits you to attend, please consider the possibilities.

**We have had a small group getting together to talk about our Vision and Mission Statement.** We are trying to help you focus upon why we exist and what our tasks are and should be. Does vision drive our programs here at church and school? Or do programs drive the vision. There is more, we just don't want to overwhelm anyone.

**Our Fathers' Day Cruise-In** was a blessing as many people took the opportunity to show their vehicle, car, rod or roadster at Immanuel last Sunday. Some fathers, sons and daughters helped with the brat fry and fun (& sun) was had by all. There were some prizes given out from car owners' registration and \$140 ended up going to the Family Center here in town. Thank you for your part in helping make this an out reach to our community.

**Walk Across The Room!** We will be using this for our opening in the fall. This is 4-5 sessions that we will use to explore our faith. We will begin on September 13, 2009. Books will be available to read soon. Watch for the opportunity!
